MMR_0646 Mike Bartlett Australia (Former Pacific District Director)

Mike Bartlett, MMR®, served as the Western District Director of the National Model Railroad Association (NMRA). As a dedicated modeler and railroader, he recognizes the importance of the NMRA in cultivating the hobby and helping modelers reach their full potential.

Through his membership, Mike has built valuable relationships and seized opportunities that enriched his life. His involvement includes serving on committees, co-chairing conventions, and actively participating in modeling competitions.

Mike's commitment to leadership extends beyond the NMRA, as he has held positions in other organizations as well.
